WHAT IS CIM?

Cornerstone Institute of Ministry is a theological higher education program through Christian Life Educators Network that is held right here at Cornerstone Church. It is open to men and women who have a sincere desire to be better equipped and released into their calling in the local church, the community, and the world. CIM utilizes the very best in theological education with instruction from highly regarded apostles, prophets, pastors, evangelists, and teachers.

DETAILS

The program consists of ten, three credit courses. Upon completion of ten courses students will receive a Diploma of Theology. Students continuing their studies will be able to earn an Associate, Bachelor, Master and Doctorate degree. This school year consists of eight separate video courses and two three-day live intensives (see schedule for dates and times). Each course costs \$140 and includes a workbook and syllabus. There is a \$25 registration fee when you become a student or when you reactivate after becoming inactive for more than 12 months. You may take all of the courses or as many as you like. Payment is due at the time of registration.
